

## We're Going on a Rainbow Food Hunt

This week we're looking for foods that make the colours of the rainbow. You might find them in the fridge, in your garden or even in your local farm shop or supermarket. See how many you can find. If you're then looking for that little bit extra, lay them out in the colours of the rainbow and send us a photo. We'd love to see what you've been up to...! #TractorTed
