

This week we're looking for things beginning with the letter 'M' (for Midge and Merlin). We have found the following. What can you find? Add your own variations for letters of the alphabet and see what you can find around your house, in the garden or out on walks. You could even start with the letter 'A' and see if you can get to 'Z' by the time you get home! Good Luck!

Milk

Mushroom

Midge

Melon

Mangetout

Merlin

Marmite

Mouse

Maple Tree
